A 2-year-old granddaughter of Evan H. Brown at Roselle fell in a vessel of boiling water at the Brown home last Wednesday afternoon and was burned so badly that she died the following day. The little one, with her mother, Mrs. Matthews of Desloge, was visiting at Roselle.

Burglars entered the store of W. R. Hall in Arcadia early last Friday night and carried away several articles of merchandise. The burglary was committed before nine o'clock and discovery made shortly afterwards, but the culprits seem to have made good their escape and already gotten away.

Bishop Johnson will be at St. Paul's church, Friday evening of this week. Bishop Johnson is far more than an ordinary man; in fact, he's extraordinary and if you go to hear him you are certain to be highly edified. He will talk mostly of his recent visit to Europe. He should be greeted with a large audience.

Edward Wendell Post, No. 64, American Legion, held its regular meeting on Wednesday evening, March 23, 19 members being present. Three new members were received: Carl Gross, Luther L. White and Wm. Stone. Refreshments were served and an enjoyable evening was spent by all.

ROLAND HILL, Post Historian.

A damage suit was tried in Circuit Court Thursday in which the Iron Mountain Mining Co. were the defendants and the trustees of the estate of Ollie Mayberry the plaintiffs. Mayberry, a resident of Doe Run, was killed last summer by some falling rock while at work at Iron Mountain. The trustees were given a judgment of \$5,000.—Bismarck Gazette.

In this issue of the REGISTER will be found the announcement of Ted Dillon as a candidate for Marshal of the City of Ironton, subject to the action of the voters at the city election to be held Tuesday, April 5th. Mr. Dillon is a worthy young man and promises the voters that should they honor him with the office he seeks he will at all times be found discharging his duties to the very best of his ability.

A passenger coach on train 32, local passenger, leaving Poplar Bluff at 11:20 each day for St. Louis, caught fire Monday when the train was nearing Hogan. The quick work of the train crew in cutting the car off from the rest of the train and taking it back to Arcadia where there was a water hose prevented the probable loss of the entire coach.—Poplar Bluff Republican.

Our old friend, R. I. January of Centerville, was a caller last Saturday afternoon. He and Mrs. January were on their way to Bellevue to visit their son, Dr. January. They drove from Centerville here in a few minutes more than two hours. Mr. January, we are glad to say, holds his own remarkably well. He is past seventy years of age, but is just about as spry as he was thirty or forty years ago.

Post Office Inspector Halliday arrived in Ironton last Wednesday and that afternoon took to St. Louis F. H. Gisser, charged with burning the letter pouch and its contents thrown from train No. 7 at the Ironton station Tuesday morning of last week. It is said that Gisser made a written confession to the inspector. He said there were many checks in the mail burned up but said there were no Liberty bonds in the pouch.

The Music Faculty of Marvin College will give a Concert at the Academy of Music Friday night, March 18, 8 o'clock. The same numbers rendered on the tour of Southeast Missouri during the holiday week will be given—a program that called forth the most enthusiastic praise from every town they visited. The concert is given under the auspices of the Ironton Epworth League. Admission, 35 and 15c.

Elsewhere will be found an article taken from the De Soto Press telling of the shooting of a negro by the name of Cantrell. This is the same Cantrell, it is understood, that is charged with violation of the local option law in this county, his case having been continued from term to term because of some prosecution against him in Jefferson county. He is charged in this county under the name of Elmer Cantrell but it is said he is the same party that figured in the De Soto shooting and whom the Press refers to as Jack Cantrell.

I have nothing but good to say of the presentation of "Princess Chrysanthemum" at the Academy of Music last Friday evening and I know my commendatory words are echoed by every member of the big audience assembled that evening. I am too wise to go into particulars—to point out this number and that on the program—for I might be guilty of some unforgivable oversight. It was all good and I enjoyed it. There was no lapse or hitch from start to finish. The songs, the choruses and the acting—from the eldest miss to the little tot in masque—with the peculiar dressing of the stage, took me for one all-too-short hour into Fairyland. All the thirty performers were trained to perfection. How Miss Marshall accomplished the feat I cannot conceive, but I do know she succeeded wonderfully in her training of the cast. The receipts from tickets sold were about \$75.00.

Piedmont Journal and Banner: "We are informed by H. G. Harrison that a meeting has been called at Piedmont for March 12th, to perfect the organization of the new base ball league, adopt by laws necessary for the operation of the association and adopt a schedule for the coming season. The league, as now planned will operate under articles of agreement signed by three responsible citizens from each member town of

the league. The signers will guarantee to put a team in the field, abide by the rules and regulations of the league and play out the schedule adopted. The affairs of the league will be directed by a committee composed of a representative from each town in the league. The committee will name the pennant winner, decide all disputes arising during the season and make rules necessary for the uniform conduct of games. There will be an admission charge of thirty cents for each game. Each team will pay its traveling expenses on the road and retain gate admissions at home, except ten per cent of such receipts which go to the treasury of the league organization to create a bonus for the pennant winner. It looks like the league, as at present constituted, will consist of Annapolis, Des Arc, Leeper, Williamsville, Greenville and Piedmont. Such sportsmen as Ada Reese, Vincent Sutton and Houston McCall are backing the organization at Annapolis, L. L. Schmidt, Ed and Chester Schmidt, John McFall and A. K. Wallis at Des Arc, John Chilton, H. A. Radtke, Jas Blackwell and J. T. Fredericks, at Leeper; Walter Holliday, Al Carty and Hayne Bros. at Williamsville; Dr. John F. Wagner, Ira Rhodes, Ellis Barrows and Frank Ellinghouse at Greenville, and of course it is an idle play of words to say that all local fans are strong for the league. Annapolis has the nucleus of a strong team in Slusher, Bolch and Martin; Slusher did some nice twirling last season and Bolch and Martin are two as clever infielders as will be found in the league. The mining industry is booming in Annapolis and the boys will no doubt be able to pick a few ball players from this new addition to their citizenship. Des Arc fans are also very enthusiastic and have the makings of a good team. The Schmidt boys are all good ball-players and Buck Wallis is a splendid ballplayer; Lovelace, Lowe and Farrar are coming young players. Des Arc also have one of the best pitchers in the league in Frank Stevenson, if they can prevail on him to stay at home. He has all the earmarks of a good pitcher, possessing curves, speed and change of pace."

Graniteville Camp, No. 8902, M. W. A., will give a Grand Ball in Workmen's Hall, Graniteville, Thursday evening, March 17th. Arrangements are being made for a pleasant evening and all who attend are assured of a good time.

JAMES DUBACHER, ANDY HALL, ROBERT SHRUM, ED O. SHEAHAN, R. H. BROWN, M. A. MOYRE, Committee.

Geo. W. Clarkson was here from St. Louis Saturday.

## In Memoriam.

Mrs. Harriet N. Barnhouse, relict of the late Henry Barnhouse, died at the residence of her son, Dr. E. L. Barnhouse, Ironton, Mo., Thursday, March 3d, 1921, at 8:55 o'clock P. M., aged 91 years and 3 days.

The body was consigned to rest in the Masonic Cemetery after funeral service in the M. E. Church Sunday afternoon, conducted by Rev. A. S. J. Baldridge, a large concourse of neighbors and friends attending.

Harriet N. Barnhouse was born at Fairmont, Va., February 28, 1830. She was married to Henry Barnhouse at Mt. Morris, Penn., August 5, 1848. To this union were born eleven children, three having died in infancy. Those now living are Alice A. Balingier, of Lafayette, Ind.; Rosette Whitling, of Brook, Ind.; William T. Barnhouse, of Eagle Pass, Tex.; Harriet Marshall, of Ironton, Mo.; Adah Beard, of Detroit, Mich.; Andrew Barnhouse, of Bonne Terre, Mo.; Edward L. Barnhouse, of Ironton, Mo., and Louisa V. Morgan, of Watseka, Illinois. She had 44 grandchildren, 39 great-grandchildren, and one great-great-grandchild.

Death came to relieve her from the pains and infirmities of extreme age and the great hope of eternal felicity succeeds to the trial and patient suffering of extended illness. In 1843, at the age of 13, she attached herself to the Methodist church, at Fairmont, Va., and in that faith she died. A faithful wife and loving mother all through her life of unusual limit, she did her duty as it was set before her, zealously and cheerfully. Done with things of earth, she is now in the realms of the Great Unknown. May they hold for her unbounded recompense for every ill suffered here!

Just unloaded a large car of Field and Garden Fertilizers for the spring trade at lowest prices. Good fertilizers pay big dividends to the users. LOPEZ STORE CO.

From Sutton of Reynolds.

JEFFERSON CITY, March 5, 1921.

Editor Iron County Register—I see from an editorial in the Enterprise that the distinguished Pigg is so sorry for the poor old Iron and Reynolds because they are fortunate enough to be represented by Democrats. Now as to myself I am willing to leave my ability to the people of Reynolds, and I will say for Iron that she is ably represented in Mr. Black.

Mr. Black is not a silver-tongued orator, but he is always here and votes with intelligence, and this is more than can be said for some of the accidental bone-head Republicans that are here owing to their accidental election, and I am sure no such accident would occur again soon if all the voters of Missouri could be here and see just how able some of the accidents are, including the distinguished gentleman from St. Louis, Mr. Moore, who is a real black and kinky one.

Of course, there are some able men here in the Republican party, but God grant that the accidents never again return to our great Capitol to blunder and cost the State untold thousands.

Yours truly, CHAS. SUTTON.

## COMING!

Dr. W. H. Johnson, Eye-sight Specialist of St. Louis will be at the New Commercial Hotel, Ironton, Tuesday, March 15. One day only in each town.

Eyes carefully examined and correctly fitted with glasses as low as is consistent for first-class service. I will have with me a complete equipment of up-to-date instruments for examining the eyes. No case too hard for me. If you have poor vision or suffer from headache you will better see me this trip.

Glasses furnished and lenses changed, one dollar and up.—Adv.

Wanted—Several tracts of cheap cut-over land in Iron County or adjoining counties. Apply Box 281, Ironton, Mo.

"THE MIRACLE MAN" A RHYMED REVIEW By Russell Holman

Far away from the bustle of cities In a spot that was countryside famed

Lived a Miracle Man, strangely gifted To deliver the stricken and maimed. To this patriarch old in his cottage, With a plan to reap wealth from his deeds,

Came a group from the slums of Manhattan, Who obeyed no command save their needs.

There was Burke and the Girl and the Dope Fiend And a misshapen brute, their decoy. Then a Miracle happened! The gangsters

Found the vile in their hearts was alloy! For the pure, guileless life 'mid the mountains

Brought ideals that cleansed smirched hearts of crime, 'Til at last even Burke, the foul-hearted,

Freed his soul from the taint of its slime. It's a picture that tugs at your heart heartstrings

Full of thrills, mixed with laughter and tears. When you see it you'll echo with thousands

"Takes its place with the greatest in years."

Academy Theatre, Friday Night.

The Marvin Faculty program given consisted of readings, violin, saxophone and piano numbers. A quartette selection was one of the most enjoyable numbers. It was one of the most enjoyable entertainments ever rendered here.—Sikeston Herald.

As our last week's notes were either burned along with other letters in the pouch stolen, or found the way to the waste basket, we will again mention that on the 27th the Stork made a call on Dr. and Mrs. C. C. January and left with them a Junior Dr.

L. G. Townsend was the honoree to a surprise birthday party last Saturday evening.

The Eastern Star here enjoyed a rare treat last Friday evening when they accepted an invitation from Tyro Chapter, Caledonia. The Belgrade Chapter was also present, thus strengthening the ties of friendship and loyalty between the three Chapters. At the close of the work ice cream and cake were served in the basement of the Temple.

## Des Arc Items.

Rev. John G. Angle, Christian Evangelist who lives at Williamsville, delivered a fine sermon here last Thursday night in the Baptist church to a crowded house. He served in the 131st Division as chaplain overseas, and gave us a very interesting history of his life as a soldier. I am always interested in war talk, having served four years under Lee and Jackson, and faced death on the battlefield many times.

We are sorry to hear of the death of that wonderful man, Champ Clark.

Mrs. Riley, mother of Mrs. Thompson, has gone to St. Louis to visit her son.

Mrs. Taylor, mother of Mrs. Maberry, is visiting her daughter in St. Louis.

Mrs. Martha Brewington and daughter came home from St. Louis last week. She has an attack of the grip.

Our pastor, Rev. E. R. O'Connor, filled his regular appointment at the Baptist church Sunday.

Carl Lovelace, who has been in the army hospital in St. Louis, came home Sunday. He has never recovered from a spell of meningitis he had in the army.

Business is still dull and nothing in the future.

Nothing doing on our roads.

Mrs. John Poston has sold her farm. Our handle factories are running on half time.

ISAAC.

The program given by the Marvin College Orchestra and Entertainers was even superior to many we have had in lyceum and chautauqua here, as all are artists in their line. Mrs. Andrews was in the quartette and also gave violin selections demonstrative of fine arts, as may likewise be said of Miss Berry's piano work and saxophone selections. Mrs. Damron was at the piano and in the chorus demonstrated the wisdom of her selection to head the musical faculty of the school. Miss White's readings were of real merit, and Mrs. Huskey's soprano was as sweet as any ever heard. They harvested many hearty compliments on the performance here.—Dexter Statesman.
